

## MURDER MYSTERY DINNER

Experience an exciting night of Mystery, Blackmail, Intrigue & Treachery!

Murder Mystery Party Game will provide you and your guests with a unique and memorable party experience. Whether you are hosting a dinner party, social event, theme night, or just getting together with friends; our games provide the perfect ice breaker. Even strangers will be talking, laughing and scheming like the best of friends in no time.

There are no scripts to read, with the exception of the Evidence Presentation and the Solution. The interactive mingle format allows more intimacy between your guests. You all become a part of the mystery, instead of feeling like you are just sitting around a table reading cards and playing a game. No dreaded party lulls! Be prepared to discover how cunning your friends REALLY are!

Unlike scripted games, you and your guests are allowed to determine your own fate. How will you handle your enemies? How will you achieve your goals and desires? Your decisions will have consequences! Our parties are not just about solving the murder. You will find that you and your guests will all have their own agendas!

There are many other amenities that set our murder mystery party games apart:

1. All is not serious doom & gloom. Your party will have some quirky, fun characters and hilarious situations, that will keep you and your guests thoroughly entertained.
2. Do not be surprised if there are more guests 'murdered' during your party. You will use Weapons Cards for this. This will also add a Clue driven Scavenger Hunt to your party! Don't worry, no guest will ever be left sitting on the sidelines.
3. We have games for 8-50+ guests to suit just about any party size and they do not require an exact number to be able to play.
4. You and your guests will have Playing Money so you can buy and sell info, blackmail and scheme all night. One of your guest's goals is to try to amass the most wealth.

5. Every game has its own comprehensive theme page, which will provide you and your guests everything you need to host the perfect party. Menus, recipes, decorations, costumes, accessories, party supplies, crafts, cakes and much more. Our 1920's and 1950's theme pages are very popular with our clients.
