

## TEAM MOVIE MAKING

Do you & your team want to have your very own 5 minutes of fame? Have you always wanted to shout the words Lights, Camera, Action!! This is the opportunity to be the hero, the baddy or even that monster from outer-space, the possibilities are as endless as your imagination.

What better way to stretch your team's creativity and communication skills than have them plan, script, direct, perform and edit their very own 5 minute Movie Blockbuster. Whatever your occasion or objective you can be sure that your team's are in for an entertaining, rewarding and above all motivational team building experience.

### The Objective

Your team's challenge is to produce a hard hitting, attention grabbing and above all entertaining film from one of the categories picked from our secret envelopes.

### The Nominees

The Film short will be scored on technical merit, commercial viability, professionalism & team involvement but above all most points will be awarded for entertainment & fun factor!
